REFERENCE

Web Designer  
POSITION

4<sup>th</sup> April 2014

To Whom It May Concern,

I am writing to apply for the role of a Web Designer (Ref: 105513) as advertised on your website. As you can see from my attached CV, I have been at my current job with PyroDigital (previously Stylusnet) for the past six years and am now looking to build on my experience in a bigger company.

Your company appeals to me especially because I am a fan of Virgin's branding and would revel in the opportunity to help with the continued growth of its online presence for Holidays, and I believe my skills and ambition are a match for this exciting new challenge. I have also previously successfully worked with BMW and MINI Park Lane on numerous web and print projects, where I had to keep to their very strict corporate image whilst still finding ways to push the boundaries and keep things fresh and this challenge is one I very much enjoy.

I am also fluent in speaking French as both my parents are French natives and if the opportunity ever presented itself, I would love to be able to combine that with my passion for web design.

I am confident that I possess the attributes you are looking for and that my experience to date would prove invaluable to your company. I would very much welcome the opportunity to meet you and to discuss my application further.

Please also feel free to have a look at my online portfolio: [www.gauthierblanpain.co.uk](http://www.gauthierblanpain.co.uk).

Yours sincerely,

Gauthier Blanpain
